Sprint review feedback form

Thank you for supporting our students' learning. During the sprint review, the team presents a provocatype and other sprint results. Your feedback helps the team understand what works well and what to improve in the next sprint.

Company / organisation: Resposible IT

Contact person: Yuri

Date of review: 5 november 2026

Project name: Fashion Police

---

1. **The team demonstrates a clear understanding of our context and needs**

☐ Below expectations v Meets expectations ☐ Exceeds expectations

Comment:
